Thank you for your interest. Prospective students are encouraged to tour the school Monday through Friday from 8AM to 8PM. This gives you the opportunity to look around, get a feel for the place, ask questions and hear what others have to say about the programs. Classes are 4 or 5 hours daily Mondays through Fridays. Specific outlines are detailed in individual class schedules.

The next step is enrollment. To enroll, first make an appointment with Don Halsell by calling (817) 614-7278. Classes are limited and seats are based on a first enrolled, first reserved basis. Appointments to enroll for any of the above dates are being taken at this time.

There are Two Tuition Payment Options: **Pay As You Go Plan** and **Pay Up Front Plan** and Two Program Lengths of 550 hours or 500 hours. Students who pay books, tuition and fees up front **save \$500 dollars**. Students who enroll for the 550 hour program **save \$1,500 dollars** and receive 50 additional hours of supervised clinical internship on advanced massage techniques.

Tuition prices are based on 450 hours because we do not charge the student, for the internship(s). The 500 hour program costs \$1,500 more than the 550 hour program. For the “550 hour-Pay As You Go Plan” –The total cost is \$5,350 which includes: \$4,950 in tuition, plus \$350 for books and a \$50 nonrefundable application fee. At enrollment you and Don work out a payment plan.

For the “**550 hour-Pay Up Front Plan**” –The total cost is \$4,850 which includes: \$4,450 for tuition, \$350 for books and a nonrefundable \$50 application fee. **This total amount of \$4,850 pays for all tuition, books and fees.**

For the “500 hour-Pay Up Front Plan” total cost is \$6,350. The total cost for the “500 hour-Pay As You Go Plan is \$6,850. Many students enjoy **saving \$1,500 to \$2,000** while receiving more education and therefore choose the 550 hour program.

We accept cash, checks, MasterCard, Visa and Discover.

We are very grateful for the ability to provide our students with clients in a very timely manner during internship. THE SCHOOL FURNISHES OIL, TABLES, SHEETS and PRIVATE ROOMS during your internship. In an effort to promote professionalism, during the internship and massage class, students are required to wear scrubs or white clothing and look professional.

Here students are NOT REQUIRED to purchase a massage table or join any organization. No money is deposited with our school for state testing purposes. Here students pay the test application and fees directly to the state.

You are welcome to visit, sit in on a class or experience a massage from either a student or licensed therapist. You are also welcome to contact any of our graduates and ask them their experience. We do our best to make you feel secure and comfortable. For further detailed information visit our website at www.ntssm.com or www.texasmassageschool.biz
